Summary: This is a story by you guys. I have not decided anything, but I'm giving you guys the opportunity to come up with main characters. Read inside because there's nothing to summarize

## 1. Chapter 1

**\*\*For all the readers out there who have read my only other H2O story, I will still be continuing with The Next Generation, but I'm also going to be continuing on with a couple new stories, (If you haven't read my other H2O story, you should really check it you). This story is completely going to be made by you, the readers, sorta. First, you guys can send in any town or city that could be used in an H2O story. Rules on that are below.\*\***

**\*\*Has to be along the coast.\*\***

**\*\*Has to be either in Australia, or America.\*\***

**\*\*If in America, it cannot be more northern then North Carolina in the East, and has to be in California on the West.\*\***

**\*\*Has to have at least 25,000 people\*\***

**\*\* I will take the best ones and choose randomly. If I don't choose yours, I'm sorry, but I can only choose one.\*\***

**\*\* Also, you guys are going to come up with the three main girls who are going to become mermaids, and their boyfriend counterparts.\*\***

**\*\*For the 3 girls, I need their:\*\***

**\*\*Name-\*\***

**\*\*Ethnicity-\*\***

**\*\*Nickname (if applicable)-\*\***

**\*\*Age-\*\***

**\*\*Personality\_\*\***

**\*\*Physical Description-\*\***

**\*\*Casual Outfit-\*\***

**\*\*Power (Please keep it water-based since they are mermaids)-\*\***

**\*\*Family (I will come up with those names, but you can if you want to)-\*\***

**\*\*Likes-\*\***

**\*\*Dislikes-\*\***

**\*\*Secrets-\*\***

**\*\*Fears-\*\***

**\*\*Background Story-\*\***

**\*\*And for the 3 boys:\*\***

**\*\*Name-\*\***

**\*\*Ethnicity-\*\***

**\*\*Nickname (if applicable)-\*\***

**\*\*Age-\*\***

**\*\*Personality\_\*\***

**\*\*Physical Description-\*\***

**\*\*Casual  
Outfit-\*\***

**\*\*Likes-\*\***

**\*\*Dislikes-\*\***

**\*\*Secrets-\*\***

**\*\*Fears-\*\***

**\*\*Background Story-\*\***

**\*\* Please submit and good luck. Just a quick note, remember I can only choose three boys and three girls, so I apologize if yours isn't picked. Also, to give everybody a fair shot, if one of your characters is chosen, none of your other characters can be chosen to. And, if you come up with the town or city, you cannot have a character in it. But anyway, please submit and have**

fun.\*\*

## 2. Chapter 2: i'm sorry

\*\*I'm sorry, but I will not be making H2O: A Tail to Tell. I've been so bogged down with stuff (school) in my life right now, that I barely have enough time for my other H2O fanfiction. But, there is some good news. I will be making an H2O story in the future with three characters that you guys have made (thanks to all of you that sent one in. By the way, they won't be the main characters. They will be main, but the real main character will be someone else). It will sorta be a prequel to my other story right now, H2O: The Next Generation. Please read and review, and I hope to use your characters in the future.\*\*

End  
file.
